

Renton Community Supper and the Mobile Medical Van

The Renton Community Supper started almost a year ago at The Renton Salvation Army, 720 S. Tobin. It has expanded to four nights a week (Mon, Tuesday, Wed, and Friday), and serves dinner at 5:30pm to the homeless, senior citizens, and people living on the edge. In April, 2011, 1105 people were served, with a high of 93 people one night. It is so successful that more dishes are needed for the program. Sixty soup bowls and 40 dinner plates are needed; preference is unbreakable and light weight (like Corelle wear). If anyone can donate this, please contact Lynn at The Salvation Army at 425-271-9444. Additionally, the Mobile Medical Van is at the supper the second Tuesday of the month, and will be at the parking lot of 200 Mill May 26th, from 4:30-7:30pm for any homeless individual or family that needs medical care.
